Work with and assist the Trap/Neuter/Return Team.

Pick up or deliver supplies & food for our emergency food bank.

Respond to & co-ordinate participants in our Sponsorship program at home or the shelter.

COMMUNITY OUTREACH AND PUBLICITY

Make adoption or S/N posters & or develop informational brochures.

Distribute posters and or distribute Quarterly News Letter "Pet Tidings" .

Create Educational Videos.

Present PFOA message before groups.

Work on advertising notices & or work with media to publicize our events and programs.

FUND-RAISING

Help to develop and plan events, and/or work at the events.

Collect money from donation jars & product sales.

Develop & produce fund raising items, or place donated items on EBAY, monitor and ship.

Help prepare quarterly fund raising letters for mailing.

RECORD KEEPING AND GENERAL OFFICE WORK

Update computer systems and computer data back up.

Correspondence letters, assorted filing, tracking animal or program source documents

Enter and updating documents and phone work.

SAFE HAVEN CARE AND MAINTENANCE

Assist Shelter Manager where ever needed.

Assist Property Manager where ever needed.

Laundry, come socialize the animals and do a load or two of laundry.

Sanitize shelter equipment, quarantine or isolation area when needed.

Grounds maintenance, mowing, weeding, etc.

This is a sampling of the various jobs our volunteers do or have done, or things that PFOA dreams of having done. If any of them are of interest to you please contact the Shelter.

If your prior experiences suggest other tasks where your skills might benefit the animals, please let's talk.

If the jobs listed seem as if they might require more time than you have available, please be aware that we often need back-ups, or vacation fill-ins for some jobs and for other we have a team of volunteers.

So if you want to be part of the solution, please contact us by phone or email and let us know your area of interest so the right person can return your call.

Thank you for caring about animals.
